Directions:

Base Card – 5 ½" x 8 ½"; scored at 4 ¼"

1. Fold your card in half.
2. With the 5 ½" folded side on top, place the left side of your card on the 2 ¾" mark and cut down to the 2" mark.
3. Move it over to the 4 ¾" mark and cut down to the 2" mark.
4. Turn your card so the 4 ¼" side is on the top, cut between the two marks. You have now just cut out a 2" square on the front of your card.

BOX:

Box Bottom – 6" x 6"; scored at 2" all four sides

1. Crease your folds
2. Cut on the lines as designated below:

3. Add your White Liner Tape and construct your box bottom

Box Top – 3 1/16" x 3 1/16"; scored at 1/2" all four sides

1. Put your box top together exactly the same way you put your box bottom together.

Decorate and embellish your card and box then slide the box onto the card and you are done.

Make sure you watch my video to see it in more detail.
