Cutting:

6 x 6 base:

1. Cut a piece of Fun Stampers Journey Designer Paper at 6" x 6" and score at 2 ½" and 3 ½"
2. Turn and score at 1" between the two score lines on both sides

Cut on the  
solid red lines

3. Add tape on the right side of the designer paper, then on the opposite side; remove tape covering.

4. To put together, first remove all the white liner tape cover so all the sticky is exposed.
5. Pull the piece with no tape on it (the piece with no tape on the wrong side) pull it towards the folded flap and adhere so it is even on the bottom of the folded flap.
6. Now take the piece that has the tape and overlap the piece that is already adhered to the folded flap. You now have one side complete.
7. Repeat for the other side making sure you start with the piece that has no tape on the wrong side.

HANDLE – cut the length that you want (handbag versus shoulder bag)

1. Score  $\frac{1}{4}$ " on the long side
2. Move over to the  $\frac{1}{2}$ " mark and cut (you now have the length you picked by a  $\frac{1}{2}$ " wide handle that is scored at  $\frac{1}{4}$ ").
3. Add white liner tape along the long end ending just short of  $\frac{1}{2}$ " on both ends. Glue the long piece together being careful not to catch the ends.
4. Adhere these to the front and back of the Mini Purse.

### DECORATE AS YOU WANT!

8 x 8 base:

1. Cut a piece of Fun Stampers Journey Designer Paper at 8" x 8" and score at 3  $\frac{1}{4}$ " and 4  $\frac{3}{4}$ "
2. Turn and score at 1  $\frac{1}{4}$ " between the two score lines on both sides
3. Repeat steps above

10 x 12 base (I cut this one down a little as it was too long for me:

1. Cut a piece of Fun Stampers Journey Designer Paper at 10" x 12" and with the 12" side on top, score at 5" and 7"
2. Turn and score at 1  $\frac{1}{4}$ " between the two score lines on both sides
3. Repeat steps above
