

Dear Santa,

Stamping is something I really like to do,

So I am making a little list just for you!

Pick one, two, or three sets for me,

Cuz I sure would love to find them under the tree.

I really have been good this year,

And there's nothing I'd love better than some new stamping gear.

Just contact Deb Valder to order from my list,

I'm sure by now, Santa, you 're getting the gist!

The goodies will appear at your front door.

Simple for you, and for me, stamping galore!

Thank you Santa!
